## GIVING THANKS

There are no commands in Scripture for any of us to ever grumble or complain, on the contrary, we're commanded not to! While Thanksgiving Day may be a unique holiday to our home country, every day should be filled with giving thanks to God for everything.

We give thanks to Him for his love for us, his mercy to us, his forgiveness of our sins and his patience with us in our stubbornness. We give thanks to Him for so many special people in our lives...for you who are our lifelines through prayer, friendship, giving, and encouragement.

We give thanks to God for the unique and exciting ministry with which He has blessed us. This past month we've continued the weekly science classes in Querétaro, supervised both homeschooling and child care for about 15 MKs during a 2-day seminar that their parents attended, provided the wedding rings for José and Zaira, and traveled 1,000 miles to help another 15 homeschooling MKs in the rural state of Oaxaca and to attend CAM Mexico's annual conference in the state of Vera Cruz near picturesque Mt. Orizaba. Thanksgiving Day was celebrated with over 100 of our fellow missionaries and over 40 guests who arrived from the U.S. just to minister to us and our children.

Thanks to God for keeping us safe on many dangerous roads and for blessing us through all of the experiences and opportunities to serve Him in the past month.

**GIVE THANKS TO GOD WITH US FOR ALL THAT HE IS AND FOR ALL THAT HE HAS DONE!**
